Adrian's  
Manga  
Adventures

**Dominic!**

Have you  
not wondered  
why among  
your brothers,

You are the  
only one with  
a fiancée!

Eh, my  
turn...!

Of course  
I know

I know  
how many  
brothers you  
have.

I know  
that you will  
become the  
King's first  
successor.

I also know  
that one day, along  
with Johan-gan,  
you would come  
to my house.

This is a  
story from  
a long time  
ago.

Back then  
I lost my  
husband,

And used  
up all the  
savings and  
such to raise  
Seonju. I did  
any work  
I could.

챙그랑

Ah-!!  
I'm so sorry.  
I'll clean it...

You can  
have that.

What?

You no  
longer need  
to come  
here.

Manager -

You looked alright,  
so I liked you.

But why  
are you such  
a useless  
woman?

타박

타박

홀쩍

Doing...

홀쩍

No, I can't be  
like this! Seaju  
will worry when  
she sees me.

스슥스슥

ET

I TOLD YOU  
EVERYTHING  
WAS ALRIGHT.  
BUT WHY ARE  
YOU BOTHERING  
ME?!!

I WISH  
THAT YOU  
DISAPPEARED!!

Why are you blowing up the married part?

지잉잉

Says,  
how can  
you say  
that -!

Wait, wait!  
a moment,  
I was only  
in 1st grade  
back then -

And  
children  
sometimes  
say things  
like that,

We never  
mean it

파닥

파닥

Thanks to  
that, from then  
on, I always  
hold onto my  
mum...

So -

What has  
that got to  
do with our  
King?

I was so  
sad there

I wandered  
everywhere

So the  
moment I  
saw that  
dark river...

**YOU  
CANNOT DO  
THAT!!**

**하**

**KYAH!!**

That is  
how...

I came  
to meet  
the King

Do you  
guys have a  
handbook as  
your planet?

When  
we wish for  
you guys to  
appear, you  
don't, and -

The  
truth is

I run  
away too

I fought  
with my  
brothers to  
become the  
King's  
successor.

Do you  
see my  
right eye?

With this  
eye, I can see  
my future after  
I become king.

This is the  
proof of  
the King.

The King's  
seal.

as well as  
parts of my  
children's  
futures.

Then  
I knew how  
cruel becoming  
King was.

And so  
without  
knowing,  
I ran away.

I DON'T  
WANT TO  
BECOME  
KING!!

I DON'T WANT  
TO PASS THIS  
FUTURE ON TO  
MY CHILDREN!!

Didn't  
want to  
become  
King...?

It was  
almost  
like a  
movie...

The King  
showed  
me snow

Why...?

But it  
wasn't  
hard to  
believe  
that.

Snow coming down  
during the middle  
of summer...

It was so  
beautiful.

From  
then on,  
we...

You're not  
about to say  
that you fell  
in love  
Mum -

If it's that  
obvious, of  
course it's the  
truth ♥

But...

No, I'll  
remember  
you,

but I  
won't be  
able to love  
you any  
longer.

Once I  
return to  
the main  
castle,

If that's the  
case, it's better  
for us to say  
goodbye  
here.

Your  
Majesty -

I won't  
be able to  
remember  
you.

I am going to  
trust you with a  
precious item.

This is  
what I made  
with all my  
strength in the  
condition of  
becoming the  
King that I did  
not wish to  
be

This will  
become a gift  
to my beloved  
children,

And  
something  
that you also  
need

Dominic...  
Once that  
child comes  
here,

He will  
fall in love  
with your  
daughter.

I cannot see  
the future for  
the Earthling  
Sanja, but...

Since our love was  
unfulfilled, let us  
fulfill it through  
our children.

Okay.

Sry, that  
is how you  
two became  
engaged ♡

No...

No way!!

**THAT'S A  
SHAM! WHAT  
THE HELL?!**

**IF YOU GUYS  
COULDN'T MAKE  
IT WORK, WHY  
PASS IT DOWN  
TO US?!!**

Sanji, do you  
hate me that much? .....

Ugh! Not!

**THAT'S  
NOT IT --!!**

**WHO  
SAID I HATE  
YOU?!**

It seems that  
the mystery has  
been solved, yet  
it's a bit weird.

The King you  
speak of is of  
considerable  
difference to  
the King I  
know.

It's almost  
like hearing  
about some-  
body else.

His eyes  
held no  
emotion  
upon  
looking at  
anyone

Not even  
for his sons  
or his wife.

His eyes  
were as cold  
a stone on the  
side of a road...

I am going to  
put my trust in  
Dominic.

Although  
he may seem  
weak, he has  
a very strong  
heart.

If it is  
that child,  
I believe that  
he will be able  
to succeed in  
what I could  
not.

... I believe  
as you.

There  
may still  
be hardship  
to come,

But if it is  
that child,

He will  
definitely make  
the choice you  
wanted

Where am I?

Is this really my room?

Et

Ah,  
Saeju-nim!  
You have  
awoken.

Regina  
Puella!

Regina  
Puella!

Sacha - ♡  
Good morning.

These people  
prepared us  
breakfast~

Yohan  
Sebastian  
Junior  
Even you!

Mum,  
you look  
comfortable.

I'll introduce  
them, Sacha.

This is the  
maid that  
looked after  
me since I  
was born.

Be blessed,  
Regina Puella!

What the hell  
does Regina  
something  
whatever  
mean?!

*Regina  
(Queen)*

*That is  
the only  
word you  
ought to  
know*

*Once this is  
all finished  
hundreds of  
servants will  
escort you to  
the main  
castle.*

*Then you  
will become  
a beautiful  
queen.*

Ah -

Is it  
like  
that?!

So then that Ragina  
means Queen.

\*Ragina = Queen  
Pavla = Girl:  
what they call  
women who will  
become queen

Now that  
I look around,  
where's  
Yohan?

The  
deputy is  
in his  
room.

I'm coming in -

4h -

Again

But I don't  
feel the  
distance like  
before.

I  
understand.

Who are all  
these people?

Since  
they will be  
serving you,  
I brought them  
here to acquaint  
them to their  
master.

Be  
comfortable  
and use them  
as your own  
hands and  
feet.

and actions  
are that...

That...  
is not easy.

Looking at  
him

I understood that  
those people think  
it's horrible to be  
served by other  
people

Never saw a girl with such  
fine hair

It's like a dream

Couldn't he do  
his hair himself?!

Those women

But...

You can  
go out now.

I'll do  
the rest.

Embarrassed  
because she  
feels that her  
inner thoughts  
were revealed

TOH

He's in  
a good  
wood this  
morning.

But then  
again...

He should  
be happy  
seeing that  
something  
he wanted  
happened.

*But do you  
know that?*

*I won't follow you*

*Even if I do  
follow when  
I become the  
Queen you  
and me will  
have to say  
goodbye*

*Are you okay  
with that?*

Will you...  
Still be happy...?

At first,  
wearing this  
Earth clothing  
was difficult,

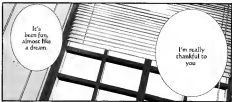

But  
now —

It's quite  
easy.

Today  
will be the  
last day,

That we  
can speak so  
comfortably.

It's  
been fun,  
almost like  
a dream.

I'm really  
thankful to  
you

You will  
become a  
beautiful  
Queen, you -

Why...

Tears are  
suddenly...

Eh-?

What?!

What?!

Eh?!

Petal.

L... I thought  
you were trying  
to kiss me.

Must have  
been from  
the bed.

WHAT?  
WHERE?!

It's not  
there  
anymore.

...

I'm going  
down -

Come down  
and eat  
breakfast.

I can't do  
anything.  
If she  
looks at  
me like  
that

*So lovable -*

—

*All stop.*

*I have to get  
rid of these  
emotions*

*If I don't  
treat her  
like the  
person I am  
to serve,*

*These emotions  
seem like they're  
going to overflow,  
but I must keep  
them locked  
up well.*

It's hard  
but not  
impossible

Yes, I  
can do  
that.

So,

IT'S DECIDED ON  
THE MEETING! WE,  
11TH GRADERS WILL  
ORGANISE OUR OWN  
DANCE PARTY.

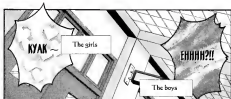

WAAAAAA!!

I guess  
things like  
this happen.

Dance  
party

Kakulka,  
and there is  
also another  
condition...

ON THAT DAY, THE  
BOYS WILL GIVE A ROSE  
TO THE GIRL THEY LIKE  
TO ASK FOR A DANCE!!

*I'll lock it  
up for sure...*

*This feeling -"*

*A diary of  
troublesome  
adventures*

Chapter 15

I don't  
need mine,  
so you don't  
need to  
buy it.

11000

But....

This is an  
extra grade  
event so -

I need...

I don't  
need it.

Eh -

If he  
doesn't want to,  
just let  
him be.

It's a waste  
of a flower

What  
the  
hell -?

What's  
with  
him?

He kissed  
me out of his  
own accord  
and now...

Is he saying  
that he now  
has nothing  
to do with  
me?

But...

The fact that  
he doesn't  
need the  
flower means  
that if he did,  
he would've  
given it to me.

Realisation!

Complicated mind.

I learned how to play when I first came to Earth, and it's pretty fun.

If there is a card on the ground that is the same as the one in your hand, then you can take it...

Then it's me! There are plenty I can take --

Eh! I don't have one of the same picture?!

Kyul -  
Mummy was going to take that!!

Ha -  
Please call me a genius.

Princess-rim, you're going to lose to Sweep-rim --

What...

Are you...

Doing?

정

후다닥

Wow —  
everyone's  
suddenly so  
serious.

Don't be  
so cold!

Not like  
you'll be  
here for  
much longer.

It's good to  
enjoy our  
remaining  
times —

What?

It's nothing.

Why are  
you dressed  
like that?

I'm going  
to the main  
castle

I have to  
report back.

And there  
are some things  
I need to take  
care of...

There are  
still things  
left to do!

...Dominant!

After this,  
you will really  
be the King

Yep—

I plan to order  
frying around loco,  
so be ready

Haha—

히  
지

Then,

I shall go...

110

...Ja -

Sauju -

Huh?

Ahh -

YUP, SINCE THE  
SCARY GUY WENT  
AWAY, LET'S PLAY.

Whoever loses  
buys lunch!!

Will things be  
okay like this?

*I haven't even  
told him yet.*

*Is it okay  
for me to  
part with him  
like this?*

*If I let him go like this...*

*Will I truly be  
able to forget him?*

*I don't know...*

Not long ago,  
I was fighting  
for the throne  
with my life  
on the line.

Isn't a  
request like  
that too  
audacious?

Yoham -

That's why I'm  
here asking you  
like this.

How's  
Nobun?

Not so  
good.

When you fell into  
your condition, it was  
because you broke  
your carring.

So, reviving  
you shouldn't have  
been too hard.

But  
Nobita.

It could  
only restore  
her breath.

Reviving a  
body that once  
died can't be  
easy, but -

Yes

What is  
that carring  
you have on?

It's  
compensatory

Since  
people  
have  
eyes

When I was young,  
I used to think that  
strong power was  
everything...

But having a  
weak side isn't  
all that bad.

I'm here  
visiting my  
friend to ask  
for a favour.

He just  
emphasised  
'friend', the  
caring  
bastard!

Help me,  
Karyan.

I want to find  
the missing  
first prince.

He may  
be missing.

But he hasn't  
specifically said  
whether he gave  
up throne or not.

If we ignore  
that, then when  
Domestic-min becomes  
King, there may be  
problems arising.

Even without  
that, there are  
many who are  
not happy with  
the situation...

If it's you, who  
has the palace  
knights under  
your command,  
it shouldn't be  
too hard finding  
that person.

If we don't  
find that person  
and get a definite  
answer, a proper  
answer to the  
choice becomes  
difficult.

Will you  
help me,  
Kayan?

...Okay,  
it's not  
too hard.

But, Yohan!

If it was me,  
I would give  
up making  
Domnic  
King.

You're still  
saying things  
like that...

If you truly  
wish for his  
happiness.

What...

do you  
mean?

I thought that  
it was good I gave  
up the throne after  
discovering this  
not long ago.

Yohan...

Mmm, it...

That King person asked you to come with him, would you have gone?

From ~

Well,

I wouldn't be against it...

**BUT THAT GUY ALREADY HAS TWO WIVES?!**

**HE HAS SIX KIDS AS WELL?!**

**HE'S A WOLF IN SHEEP'S CLOTHING!!**

I can't  
even imagine  
leaving my  
mom alone  
to follow  
those guys

Besides -

Saeju!!

Lee's  
play that  
card game  
again.  
♡

부빅

부빅

EH!

What  
are you  
doing?

It would've  
been nice if  
you really  
were my  
brother.

Won't

I have  
something  
to tell you...

Don't—

Huh?

Don't  
tell me.

I have no  
intention of  
asking Saaju  
for an answer  
in a rush.

So let's just  
stay like this for  
a little longer.

I  
Don't have  
much time  
before I enter  
my second  
puberty.

After that, I  
will be as big as  
Yahun-hyung.

When that time  
comes, I'll propose  
to you formally.

Whether you  
accept or reject  
me, do it then.

Okay?

Are you  
looking  
forward to  
getting  
bigger?

I'll be  
bigger  
than  
Yohan-  
hyung.

... Isn't  
that a little  
too big?

Can I sleep  
with you?

You still  
haven't got  
over that  
haven't -!

That's what  
happened.

I  
I can't sleep.

Why is he  
so late if he  
only went to  
report back.

Has that  
slave guy  
not come  
back yet?

Haha,  
why am I  
waiting for  
him?

Et

Huh?

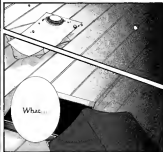

What?

He was  
already back?

You,

If you're  
back, tell...

Not long ago,

Remember  
what your  
mother said?

That His Majesty didn't  
want to become King -

I've...  
discovered  
why.

Don't...

L

I DIDN'T CHOOSE  
DOMINIC-NIM AS  
THE SUCCESSOR  
TO MAKE HIM  
LIKE THAT!!

—11

It is his  
obligation to  
sacrifice every-  
thing for the  
happiness of  
the people.

To become a  
King that can make  
fair and precise  
choices. They are  
deprived of all  
their emotions  
and passions.

That is the  
initiation to  
become King.

*After that, all  
that is left is  
'information'*

*Their  
own wife  
children*

*Favourite  
books aside  
even the  
beloved bird.*

*Hold no  
meaning like  
a torn piece  
of paper*

You can't  
even call  
that a living  
human being.

Which destroy  
the mind and body,  
halving the life  
expectancy of  
the King.

Also, to make  
sure that the  
lost memories  
and emotions  
don't resurface,  
they are to take  
drugs.

That's the reason  
why Kings change  
so frequently.

In all, it didn't  
matter who  
became King.

It was the  
Anarchist's  
choice.

Even the  
fight between  
siblings holds  
no meaning.

It is only  
the foolish  
act to choose  
the sacrifice.

Silver...

Yohann-!!

Dominic-nimi...!!

*Anarchia.*

*The child  
to choose  
the future!*

*To choose the  
person I want to  
be King, and create  
the world I want.*

*That was  
pride and hope.*

*My past,  
present, and  
future were  
all there.*

*But it  
shattered.*

*They were  
all lies.*

*It held no  
meaning.*

*What is it that  
I've lived my life  
for until now?*

What do  
I do?

To think  
that he  
was crying  
like this

Why!

Why are you crying...?

Yehun-hyung, are you back?

탁

The throne...  
Please  
withdraw.

What?

What  
happened  
at the moon  
cave?

Are you really  
Yohan-hyang?

If not, are  
you trying to  
make someone  
else King?

—!!

That's right  
Even if  
Domestic-war  
surrenders,  
someone has  
to become  
King

Will I be  
pushing that  
burden onto  
someone  
else -f

To  
SOMEONE...

One  
mistake is  
enough.

I don't  
ever want  
to doubt  
you twice.

You might  
not think  
I'm ready  
right now.

But wait  
and see. I'm  
different from  
before.

That world  
being always  
warmed,

*I'll create it  
for you.*

... I am  
sorry to  
have caused  
trouble

It is  
nothing, so  
please go  
back to  
sleep.

But,  
hyung...

I am very  
sorry. I was  
just tired...

I would  
like to rest.

Ah --  
Okay.

What the  
hell? He  
was just  
crying

Pretending  
like that never  
happened.

Then  
rest well,  
hyung.

Has  
a good  
night.

I hope  
Saeju-um...

Has good  
dreams.

*He pushed  
me down*

*I wanted to  
hear what  
happened -*

Still

*Do I only  
want this  
much to  
you...?*

Is the class  
bustled up?

수업

Well— I  
don't think so.

That guy, he's  
low on morals.

Why don't  
you go up,  
and wake  
Yohan-guni?

EH? ME?

Yup, please!

It was  
annoying how  
he always woke  
up early and  
got ready by  
himself

*Why was he  
crying...*

*So miserably?*

*Is it something  
you can't tell  
me?*

*I thought  
that you  
liked me  
too...*

*But it  
seems  
that I don't  
know.*

*What I  
meant  
to you*

*Are you just  
going to keep  
looking at me?*

I didn't  
know when  
to open my  
eyes

You should have  
said something if  
you were awake

I had a  
good dream.

Everything was  
dark, and there  
was no light.

I didn't  
know where  
to go.

Or what  
to do. I was  
struggling,  
but...

You told me  
to come back.

Because we  
have a reason  
to live...

Because you  
will need me  
from now...

That's what  
I said to you?

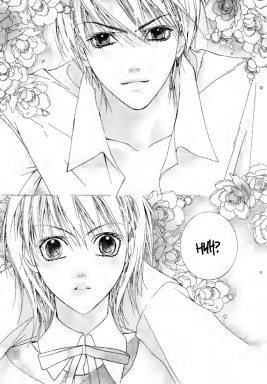

Yes.

That's what  
happened.

So...

How are you  
going to use  
me?

HMM?

Today I'll  
confess to the  
girl I've always  
liked

She's pretty  
as a kitten  
with a small  
face and a  
slim body

Can you call  
me Seon Seon?

Such a popular  
girl might not  
even look at  
people like  
me. But...

I can't give up  
without trying!

Thanks  
my friend!

I'll try  
my best

So...

What I want  
to say is...

Will you be  
my partner  
for the  
festival?

EH?

Hehe...

Looks like the  
proposals on Earth are  
similar to ours.

I'll buy  
Saeju something  
way better.

So don't  
worry.

Then —

Ugh!!

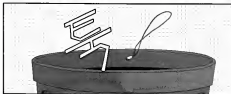

Hey, what  
happened?

Why is  
that bastard  
taking the  
necklace?

He took  
it and he's  
wearing it...

**WHAT?!**

You,  
did you eat  
something  
weird for  
breakfast?

I'm fine.

Will  
you really  
buy me  
something?

Yeah.

# Tiffany

₩2,570,000

# Cariter

₩1,905,000

₩3,220,000

# Hermes

Thank you.

NO~  
NO~ HE  
CAN'T BE  
BUYING ALL  
THESE!!

WHY ARE  
YOU ACTING SO  
DIFFERENTLY?!

*A high school  
student in uniform  
in broad daylight  
buying all these  
brands...*

YOU'RE  
COMPLETELY  
DIFFERENT FROM  
A COUPLE OF  
DAYS AGO!!

Besides,  
isn't Won's  
becoming a  
King soon?

Then...

I don't  
care.

What becomes  
of the future  
of my business.

—!

Yeah.

Recently, I'm  
living Earth.

Should I just  
keep living  
with you?

Hmm~  
That's not bad.

U  
K

U  
K

Are you  
really!

L

I have  
something  
I want to give  
you

Ah~ Does so much blood go into making such a small thing?

I thought a drop or two would be all...

I'm compressing it.

The more it's compressed,

The more beautiful it becomes.

That's enough.  
Stop.

Wait,  
just a little  
more...

I said stop!

There...

It's done.

Did he  
wake the  
other one  
like this  
too?

Such a  
pretty  
red—

To  
protect  
me...

Wanted to ...

We're  
outside,  
in broad  
daylight --!!

HE NEVER  
LOSES!

Well, is  
there really any  
difference to  
when you  
hugged me?

Now I see,  
your hand seems  
empty. Maybe  
a ring too...

I'M FINE!

DOES HE WANT  
TO DIE FROM  
BLOOD LOSS?

There's  
something  
wrong with  
that guy...

Saying that he wants  
to live at our house  
and that he doesn't  
care what happens  
to the Klap.

Something  
definitely  
happened  
yesterday...

He did  
ask her to  
withdraw from  
the throne

There.

Perhaps...

Did he  
choose?

Me?

More  
important  
that was his  
mission...

What are  
you doing?  
Let's go  
back.

and his  
house...

Can I believe that?

*Is it okay  
to hold*

*This hand  
you placed in  
front of me?*

I was worried!!

Where did you go!!

You disappeared without saying anything —

Ah, sorry! It just happened

Eh! You bought a necklace? It's pretty

Was this why you went out?

But this...

7/17

Yohan-hyung...

Were you  
with Suzye all  
this time?

Yes.

I'm sorry for  
not telling you.

Then, hyung  
bought this  
necklace...?

It seems as  
though I have no  
reason to further  
hide my feelings.

A Diary of ..  
Troublesome  
Adventures

*It seems as  
though I have  
no reason to  
further hide  
my feelings.*

*I think I like  
Saeju-nim.*

What—?

*I already  
knew that  
from a  
while ago*

... (no  
reason?)

What  
do you  
mean by  
that?

Excuse  
me, I will  
be retiring  
to my  
room.

**WAIT!  
I WAS ASKING  
YOU WHAT  
YOU MEANT!**

Why—?

Wow ..

What...  
What...  
What...

What...

What is  
it...?!

Did I do  
something  
wrong?

Why is he  
suddenly...

No, Wan!  
You haven't  
done any-  
thing wrong.

No one  
did any-  
thing  
wrong

But  
someone  
has to be  
hurt

*Why is it  
that liking  
someone is  
always like  
this?*

*Why couldn't  
everyone be  
happy...?*

*The day  
of the  
festival.*

*In the morning  
and afternoon  
there are  
announcements  
and displays by  
various groups.*

But everyone  
seems to  
be waiting  
for the last  
event, the  
dance party.

Saeju♡♡

ㅋㅋㅋㅋ

WHERE ARE  
YOU GOING,  
SAEJU?!

Whenever you greet me, you always want something from me.

And besides, on the day of the festival, I don't want to be close with the class rep.

Awww—  
Saejul! You have no idea how much I love you, yet you say such things...

Could you please just carry half of that for me—!

It was so hard doing the dance party and decorating the hall—

Everyone's looking forward to it.

Of course—  
We have lots of pretty young boys at our school.

There's Wansoo, and then Won-oppo...

But why  
didn't Yohan  
come?

pause

He even  
said that he  
didn't need  
a rose!

He must  
be really  
busy!

I don't know  
where he dis-  
appeared to,  
but I haven't  
seen him since  
morning

Sacha, you  
ready?

탈의실

I'm  
ready...

But I'm  
troubled  
with my  
hair.

If they  
were longer,  
I could do  
something  
with them...

Hmm, maybe  
the hair and  
the dress don't  
match!

Nan~ Nan~  
It's fine!!

Perhaps  
I should've  
bought a  
wig...

Does it  
bother you  
that much?

??

Yup.

??

I think you  
look fine,

But if Saaju  
doesn't like  
it...

Here—

Wow,  
how did you  
do that?

Enem

That's very  
easy.

Do you like it?

Yes

You look  
very  
pretty,  
Saeju-

Really.

I want to  
take you to  
the palace  
and show  
you off to  
everyone!!

Show  
off the  
person  
I like.

Should I  
take you to  
the palace  
right now?

THIS IS AN  
ANNOUNCEMENT  
TO ALL THE SECOND  
YEARS. THE DANCE  
PARTY IS ABOUT TO  
BEGIN.

PLEASE  
ASSEMBLE AT THE  
HALL UPON HEARING  
THIS ANNOUNCE-  
MENT.

...AND I REPENT,  
THE...

I was just  
joking.

~~~~~

Don't make  
that face

Let's go.

*Wow!*

*I really do  
like you*

*But as  
friends*

*As my  
little  
brother*

*When you give  
me your hand  
like that, I keep  
thinking of how  
I held his hand...*

*But still,  
will I have to  
wait for your  
proposal?*

*Although I  
already know  
what I'll say...*

Wouldn't it be better for you to turn your heart around a day earlier?

Then, everyone—

Let the second year dance party begin!

The music's playing

But everyone is awkward

Here—

Ahh—  
Thankyou,  
Womuuu—!

Will you dance with me?

Of course ♡

So natural.

That's the  
thing with  
couples

Stepping on my  
foot as soon as we  
start is cheating.

Sorry, sorry~

Ahahahahaha

It's also  
natural.

That's the  
thing with  
siblings (P)

Everyone  
was ooga-  
geous

Minju!

Hayeon!!  
Will  
you...

Wow— This  
looks like a  
real dance  
party now!

I'm glad  
that everyone  
got use to it.

But—

I'll call  
you,

So have  
your phone  
with you.

하루  
아니

하루-

Why  
isn't he  
calling?

But...

Even if  
he comes,  
I wouldn't be  
able to dance  
with him.

mutter  
mutter

If I did  
something  
like that, I  
would be  
murdered.

Why are you  
wearing...?

I borrowed  
it from  
someone I  
know.

I can't dance  
with you if I'm  
not wearing  
this. If some-  
one finds out—

But I can't let  
an opportu-  
nity like this  
pass.

So, here—

I wanted  
to wear nice  
clothes and  
make this a  
good memory...  
I apologise for  
being like  
this.

Will you  
still dance  
with me?

아하하하하하

Don't look  
that way!

My heart  
is broken!

If someone  
saw us, don't  
you think  
they'll say  
this?

?

Disney's  
'Beauty and  
the Beast'.

Ahahaha—

While Haru  
and Shina  
are having  
fun in the  
hall...

Saejū!

Saejū!  
Dance  
with me—

**ENOUGH!**

The first  
song ended.

Waiting  
for my  
chance...

I'm not  
dancing  
anymore.

**WHAT?!  
WHY?!**

'cause my  
feet hurt.

But you've  
only danced  
once with  
Wan.

Gives one  
flower → dance  
to one song

Has 100  
flowers → dance  
100 times.

푸른

?

Really—

Won!!

What will  
I do with  
you?!

hahaha

These cute  
things—

100 times?  
Fine! I can  
do that.

Let me  
test(?) my  
endurance

She said that  
her feet hurt so she  
wasn't dancing  
anymore—

I thought  
he wasn't  
coming...

This is my  
first time  
seeing him  
in person.

He's really  
good looking—

Without  
telling  
anyone to  
make way  
everyone  
parted on  
their own.

...I can tell  
without having  
to even look.

The only person  
to garner this  
much attention  
from everyone...

Could only  
be him

Yohan-  
hyung.

You'RE LATE-

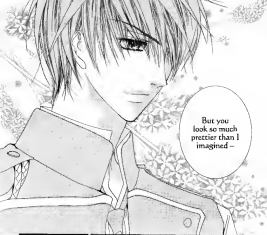

What  
were you  
doing  
coming so  
late...?

It's not  
polite to look  
at a woman  
before she's  
ready,

Since women  
want to show  
themselves at  
their best.

I did  
predict  
this-

But you  
look so much  
prettier than I  
imagined -

He's  
going onto  
his cherry  
rode

Well, thank!

BUT YOU'RE  
PRETTY TOO

Pretty?

Could I ask  
for a dance?

Haven't  
you...

Forgotten  
something?

The  
flower.

Ah...

A rose—

Okay.

Eh?!

What, the roses-?!

Yohan...?

He used  
his power  
without even  
putting up a  
barrier.

In front  
of so many  
people?

Ah—

The  
petals...

Are only  
falling on  
Saeju!!

What is this?

Magic?

Isn't this  
enough...

To ask for a  
dance?

Okay-!
